M. Venzke  Item 15  Parks Capital Improvements Program – Spending Plan for FY 2007 Program Open Space Apportionment: On May 4, 2006, the Department of Parks received notice from the Maryland Department for Natural Resources regarding Montgomery County’s apportionment of Program Open Space (POS) funding for FY 2007. The FY 2007 allocation of $24,291,038 is significantly higher than prior years. POS funding is split equally between the parkland acquisition and development programs in the CIP, after a small percentage is dedicated to the County’s incorporated municipalities. The generous FY 2007 POS apportionment allows the addition or acceleration of several projects in the Parks CIP – **Staff Recommendation:** Approval of Recommended Projects for Transmittal to County Council as Requested Amendments to the FY 2007-2012 CIP.

Adjourned
