BACKGROUND

The Site Plan (820010150) for Regency at Leisure World was presented to the Planning Board on May 7, 2001 (Planning Board Opinion dated June 20, 2001) for approval of 85 single-family detached lots, including 11 MPDUs on 17.87 acres in the PRC Zone. The Certified Site Plan was approved October 2, 2002.
A Site Plan Amendment (82001015A) for Regency at Leisure World was submitted to M-NCPPC in 2006 to increase the number of dwelling units within the site. The application proceeded to DRC but was subsequently withdrawn.

An amendment was filed on February 7, 2007, along with a public notice to adjacent and confronting property owners that outline specific changes to the approved site plan. The proposed amendment requests the following modification:

1) Change the existing board-on-board fence to a 10-foot-tall chain link fence along the southern property line to Georgian Colonies

PUBLIC NOTICE

A notice regarding the subject site plan amendment was sent to all parties of record by the Applicant on March 12, 2007. The notice gave the interested parties 15 days to review and comment on the amended site plan. No comments have been received from the parties of record during this application.

STAFF REVIEW AND RECOMMENDATION

The proposed amendment is consistent with the provisions of Section 59-D-2.6 of the Montgomery County Zoning Ordinance for Minor Plan Amendments. The amendment does not alter the intent, objectives, or requirements expressed or imposed by the Planning Board for the originally approved site plan.

The changes are being pursued to address security concerns along the southern perimeter. This amendment did not go to DRC but was circulated to departmental staff for review and comment. Staff indicated approval of the amended items specified in the Applicant’s request.

Staff recommends APPROVAL of the Minor Site Plan Amendment for Regency at Leisure World (Site Plan No. 82001015B) for modification to the approved site plan.
