The following record plats are recommended for APPROVAL, subject to the appropriate conditions of approval of the preliminary plan and site plan, if applicable, and conditioned on conformance with all requirements of Chapter 50 of the Montgomery County Code. Attached are specific recommendations and copies of plan drawings for the record plat. The following plats are included:

PLAT NO. 220080950

Staff recommends approval of this minor subdivision plat pursuant to Section 50-35A(a)(1) of the Subdivision Regulations, which states as follows:

50-35A(a)(1) Minor Lot line Adjustment. The sale or exchange of part of a lot between owners of adjacent lots for the purpose of small adjustments in boundaries; provided:

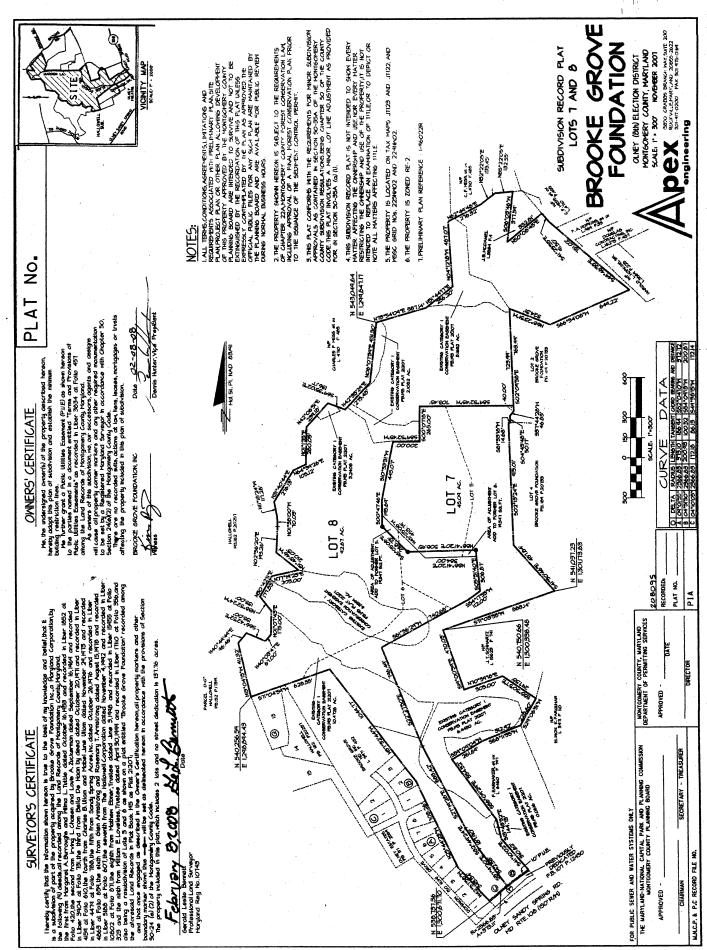

- a. The total area of the adjustment does not exceed five percent of the combined area of the lots affected by the adjustment;
- b. No additional lots are created;
- c. The adjusted lot line is approximately parallel with the original lot line or, if it is proposed to intersect with the original line, it does not significantly change the shape of the lots involved; and,
- d. The owner submits a sketch plan for review and approval by the Planning Board staff. The sketch plan may be a copy of the existing record plan and must contain the following information:
 - i. proposed lot line adjustment as a dashed line;
 - ii. any buildings, driveways, or other physical improvements located within fifteen feet of the proposed adjusted lot line;
 - iii. any minimum building setback that would be altered by the minor lot line adjustment; and
 - iv. the amount of lot area affected by the minor lot line adjustment.

The sketch plan must be approved, approved with revision or denied, in writing, within ten business days after the plan is submitted or the sketch plan is deemed approved, provided requirements i through iii, above, are met. A final record plat must be submitted to Planning Board staff within ninety days after sketch plan approval or the sketch plan is no longer valid.

e. Any minor lot line adjustment between properties that occurred prior to May 19, 1997, remains an exception to platting as provided in Section 50-9(d)

Staff applied the above-noted minor subdivision criteria for these lots and concludes that the proposed minor subdivision complies with the criteria of Section 50-35A(a)(1) of the subdivision regulations and supports this minor subdivision record plat.
