SUBJECT: Public Hearing – Gaithersburg West Master Plan

The Planning Board will hold a Public Hearing on the Gaithersburg West Master Plan on March 26, 2009 at 7:00 p.m. The Gaithersburg West Master Plan is an update to the 1990 *Shady Grove Study Area Master Plan* and portions of the 1985 *Gaithersburg Vicinity Master Plan*. This hearing offers an opportunity for the Planning Board to hear public testimony on the Plan's recommendations including land use, transportation, public facilities, zoning and implementation for the 4,360-acre Master Plan area. The Public Hearing testimony will become part of a formal record and will be discussed at subsequent Planning Board worksessions on the Master Plan. The public is encouraged to submit written testimony that will be fully considered in addition to the oral testimony scheduled for March 26. The public hearing record will be kept open until a date to be set by the Planning Board at the hearing.

Copies of the Plan are available at local libraries and can also be viewed on line at:
