SUBJECT: Purple Line Functional Plan – Worksession Number Two

STAFF

RECOMMENDATION: Approve Planning Board Draft Plan and forward to the County Executive and County Council.

Background

The Planning Board held a worksession on March 4, 2010 on the Purple Line Functional Plan.

The purpose of this second worksession is two-fold. The first purpose is to provide the Planning Board an opportunity to review the changes to the Public Hearing Draft Plan that have been made in response to the Board's direction at the first worksession. The second purpose is to ask the Board to approve the proposed Planning Board Draft Plan, incorporating any additional changes the Planning Board may direct.

The proposed Planning Board Draft Plan is included as Attachment A. A red-lined version of the changes to the Public Hearing Draft Plan is included as Attachment B. Substantive changes made in response to the Board's direction are highlighted.

The staff recommendation is that the Planning Board approve Attachment A as the Planning Board Draft Plan and forward the Plan to the County Executive and County Council.
