Re: Long Branch Sector Plan – Public Hearing

---

The Planning Board will hold a Public Hearing for the Long Branch Sector Plan on January 31, 2013.

This hearing responds to the County Council's directive to revise the Takoma Park and East Silver Spring Master Plans to incorporate the CRT Zones.

The Public Hearing offers an opportunity for the Board to hear public testimony on the Sector Plan's recommendation for the new zones and on other changes made to the Takoma Park and East Silver Spring Master Plans. Public Hearing testimony will become part of the formal record and will be discussed at subsequent Planning Board worksessions on the Sector Plan. The public hearing record will be kept open until a date set by the Planning Board at the hearing.

Copies of the Plan are available at the Long Branch and Takoma Park libraries. The Plan can be viewed on at
