

Forest Conservation Fees: In-lieu Fees and Administrative Civil Penalty Rate

Mark Pfefferle, Chief, Mark.Pfefferle@montgomeryplanning.org, 301 495-4730

Completed: 4-5-13

SUMMARY

- Staff recommends a \$0.05 increase to the forest conservation in-lieu fee amount to new rate of \$1.10 per square foot.
- Staff recommends a \$0.45 increase to the maximum administrative civil penalty allowable for forest conservation violations to a new rate of \$10.45 per square foot.

BACKGROUND

Staff is required by Montgomery County Council Resolution 15-1271 to assess the forest conservation in-lieu fee amount and the maximum administrative civil penalty every odd numbered year. The County Resolution indicates that this increase must be made by May 1 of each odd numbered year and applicable on July 1. The in-lieu fee amount is currently \$1.05 per square foot and the maximum civil administrative penalty is currently \$10.00 per square foot. These rates became effective on July 1, 2011.

Montgomery County Council Resolution 15-1271 (Attachment 1) requires the Planning Board to adjust the forest conservation in-lieu amount and administrative civil penalty based on the Consumer Price Index for the Baltimore-Washington Area. The County resolution indicates that increases shall only be based on the two most recent calendar years.

Analysis

The United States Bureau of Labor Statistics indicates that the Consumer Price Index increased by 4.52 percent between January 2011 and January 2013 for the Baltimore-Washington area (Attachment 2). The consumer price index from January 2011 was 144.327 and 150.845 in January 2013. The January 2013 index is a 4.52% increase from January 2011. Therefore:

- Based on Consumer Price Index the increase in the forest conservation in-lieu amount is \$0.0474 ($\$1.05 \times 4.52\% = \0.0474) per square foot. The new in-lieu fee rate would be \$1.0952 per square foot ($\$1.05 + \0.0452).
- Based on the Consumer Price Index the increase in the maximum forest conservation administrative civil penalty is \$0.452 ($\$10.00 \times 4.52\% = \0.452) per square foot. The new maximum forest conservation penalty rate would be \$10.452 per square foot ($\$10.00 + \$0.452 = \10.452).

The Council resolution requires all adjusts to be rounded to the nearest multiple of 5 cents. Common rounding practices will round the in-lieu amount from \$1.0952 to \$1.10 per square foot and the maximum administrative civil penalty rate will be rounded from \$10.452 to \$10.45 per square foot.

RECOMMENDATIONS

Based on the direction provided in County Council Resolution 15-1271 staff recommends the in-lieu rate and the maximum administrative civil penalty set to the following amounts:

- In-lieu amount = \$1.10 per square foot
- Maximum administrative civil penalty = \$10.45 per square foot.

These new amounts will become effective July 1, 2013. County Council Resolution 15-1271 does not include a grandfathering clause therefore, applicants desiring to meet their forest conservation requirements via an in-lieu fee payment after July 1, 2013 must pay at a rate equal to \$1.10 per square foot regardless of when the plan was approved. Similarly, violations to the Chapter 22A of the County code can be assessed civil administrative penalties based on the higher rate.

Resolution No.: 15-1271
Introduced: December 6, 2005
Adopted: December 13, 2005

**COUNTY COUNCIL
FOR MONTGOMERY COUNTY, MARYLAND**

By: Transportation and Environment Committee

SUBJECT: Resolution to set certain penalties and fees under the County forest conservation law

Background

1. The County forest conservation law, in County Code §22A-16(d)(1), authorizes the County Council to set by law or resolution the maximum amount of the administrative civil penalty authorized by §22A-16(d).
2. The County forest conservation law, in §22A-12(g)(1), authorizes the County Council to set by law or resolution the [maximum] amount of the fee that the Planning Board may charge in lieu of afforestation or reforestation under §22A-12(g).
3. At a worksession held on December 1, 2005, the Council's Transportation and Environment Committee recommended that the maximum penalty and fee be set in amounts that would effectively deter violations of the forest conservation law, particularly willful violations.

Action

The County Council for Montgomery County, Maryland approves the following resolution:

1. The maximum amount of the administrative civil penalty authorized by County Code §22A-16(d) is \$9/square foot for any [willful] violation of Chapter 22A or regulations implementing that Chapter[, and \$3/square foot for all other violations of that Chapter or regulations].
2. The [maximum] amount of the fee that the Planning Board may charge in lieu of afforestation or reforestation authorized by County Code §22A-12(g) is \$.90/square foot of the area of required planting.
3. Without further action by the County Council, the Planning Board must adjust each dollar amount in this resolution, effective July 1 of each odd-numbered year, by the percentage amount of the annual average increase or decrease (if any) in the Consumer Price Index for all urban consumers in the Washington-Baltimore

metropolitan area, or any successor index, for the two most recent calendar years. The Board must calculate this adjustment to the nearest multiple of 5 cents. The Board must notify the public of the amount of this adjustment not later than May 1 of each odd numbered year.

4. This resolution takes effect when Expedited Bill 27-05 takes effect.

This is a correct copy of Council action.
