Summary

Section 59-7.3.4.C. of the Zoning Ordinance establishes the review procedures for a Site Plan application and states that:

“the Planning Board must schedule a public hearing to begin within 120 days after the date an application is accepted. The Planning Director may postpone the public hearing by up to 30 days once without Planning Board approval. The Planning Director or applicant may request an extension beyond the original 30 days with Planning Board approval. Any extension of the public hearing must be noticed by mail and on the hearing agenda with the new public hearing date indicated”.

The Planning Board hearing for the subject application has already been extended 30 days until January 7, 2016 by the Planning Director by an extension approval letter dated November 18, 2015. In a letter dated November 23, 2015, the Applicant has requested a two month extension for additional time to coordinate frontage improvements with the Maryland State Highway Administration, and to resubmit updated plans to all agencies. The letter requests a new Planning Board hearing date no later than February 18, 2016.

Staff recommends **approval** of this extension request.
