

Appendix G: GIS Data Sharing**DNR maintained GIS datasets available for county use:**

1. State protected public lands (DNR owned lands and conservation easements)
2. Campgrounds on DNR lands
3. General points of interest on DNR lands -includes playgrounds, picnic areas, scenic vistas/views
4. Public parking areas at DNR lands, including trailhead parking
5. Maintained structures on DNR lands such as restrooms, shelters and pavilions
6. Maintained roads on DNR lands (*data set under development as of July 2015*)
7. Public land and water trails
8. Public water access locations (boat ramps and canoe/kayak launches)
9. Public hunting areas on DNR lands (*data set under development as of July 2015*)
10. Public fishing sites

GIS datasets requested from counties for future statewide analysis:

1. County protected public lands (county owned parks, natural areas and lands with agricultural or conservation easements)
2. Public land and water trails in county parks and natural areas – preferably with any notes on use restrictions (ex. Hikers only, equestrian, mountain bike, etc.)
3. Parking at county parks and trailheads
4. Public hunting areas in county parks or natural areas (if applicable)
5. County park amenities – such as picnic areas, campgrounds, playgrounds, recreation centers or sports fields
6. Public fishing sites
7. County water access locations (boat ramps and canoe/kayak launches)

As of July 2015, DNR is in the process of determining an easy method for transferring LPPRP related GIS datasets to/from county parks and recreation departments. Instructions for transferring this data will be sent to counties in late 2015.
