**PROS N' HACKERS DEMO DAY PRESENTED BY SPORTSTALK 980
SET FOR MAY 20 AT LITTLE BENNETT GOLF COURSE**

CLARKSBURG, MD - The Maryland-National Capital Park and Planning Commission staff announced today that *Pros N' Hackers* magazine is co-sponsoring the **Pros N' Hackers Demo Day presented by SportsTalk 980 on Saturday, May 20 from 10 a.m. to 2 p.m. at scenic Little Bennett Golf Course, 25900 Prescott Road, Clarksburg, Maryland.**

Representatives from 13 major golf club and equipment manufacturers will offer attendees the opportunity to try out the latest and greatest in golf gear on Little Bennett's all-grass driving range. "Admission is free for the whole family and our grill will be going, so get into the swing of spring at our Demo Day event!" commented Chris Oleson, Little Bennett's PGA pro. "This year we'll have some of the best prices around on all the latest equipment."

A children's clinic will be offered at 10:30 a.m. "Bring the kids from toddlers to teens, and we'll help to get them started on a lifetime of fitness and fun with golf," said Oleson.

Beginning at **11 a.m., the long-drive contest** will recognize the man, woman and child who makes the longest drive over the course of the four-hour event. Prizes include spa certificates and free rounds of golf.

Mark Sterne and Nigel of SportsTalk 980 will host the **putting contest from 1 – 2 p.m.** Contest winners will receive prizes that could include a new putter, a new driver and certificates to area spas, King's Dominion and local restaurants. During the event, Mark Sterne and Nigel will raffle off thousands of dollars in prizes including shoes, clubs, balls and equipment provided by vendors, PGA Tour Grille certificates, and free accommodations in popular golf resort areas such as Hilton Head and Myrtle Beach.

"You can try out every wood, iron or putter on Little Bennett's grass driving range and putting green. PGA pros will then fit you precisely for the custom-made club of your dreams," said Adam McCaa, publisher of *Pros N' Hackers*. "Golfers just don't have to settle for buying an untried club off the shelf at the local sporting goods store. Demo day is the perfect opportunity to hit the ball, watch the flight and decide what works best for every golfer. And the prices are

great.” Participating manufacturers include Titleist, Tour Edge, Mizuno, Nike, Cobra, Cleveland, Callaway and US Kids and others.
