GOLF COURSES ARE SWINGING PLACES IN THE WINTER

SILVER SPRING, MD - Although the ground may be too frozen to play, the four golf courses in Montgomery County's parks are great places to visit for last minute gift ideas. The pro shops at Little Bennett, Northwest Park, Sligo Creek and Needwood Golf Courses are packed with everything golfers need for the new season. And the snack shops offer a great variety of mid-day menus. Weather permitting, the golf courses will be open for play.

Driving ranges are located at all courses except Sligo Creek. Northwest Park Golf Course also has a heated and lighted driving range that offers opportunities to sharpen skills on the coldest of days.

The golf courses include:

Little Bennett Golf Course Clubhouse
