**MONTGOMERY COUNTY PLANNING BOARD ACCEPTS \$276,750
PLAN OF COMPLIANCE FROM MAPLE RIDGE BUILDERS**

SILVER SPRING, MD - Following a four-hour public hearing on whether builder Ryan Homes, Inc. exceeded the 35 foot height standard in the zone by building 45 townhouses too tall, the Montgomery County Planning Board voted 4-1 to accept a plan of compliance offered by the builder to pay \$276,750.

In their vote to accept the plan of compliance, the Planning Board did not find the builder in violation and agreed to take no further enforcement action against the builder or any of the third-party innocent homeowners who live in one of the 45 units.

The fine monies collected by the Park and Planning Commission will be allocated to funding community improvements in the affected development, which is located just off of Route 29 in northern Silver Spring.
