Bundle up for this outdoor winter walk that electrifies the landscape with more than 650,000 twinkling lights. The creative spirit of Brookside Gardens shines through in original artforms of colorful flowers, imaginative animals and sparkling fountain, all celebrating the holidays in a secular display. Stroll through a kaleidoscopic caterpillar, visit Nessie in the Perennial Garden, and listen to the sounds of thunder and lightning beneath a rainbow of color. Then take a break to warm your toes in the Visitors Center. Refreshments are available for purchase in the auditorium, where each evening local musicians perform. Do a bit of holiday shopping at our gift shop, Marylandica. Kids, parents, singles and seniors will have an evening to remember for ages to come.
