- Item #1: Transportation
- Item #2: Parks
- Item #3: Schools
- Item #4: Environment

INTRODUCTION

This is the fifth worksession on the Public Hearing Draft of the Shady Grove Sector Plan. Its primary focus is the systems that serve the planning area: transportation, parks, schools, and environment. Attached to this cover memo is a summary list of decisions to be taken in each of the topics mentioned above. A summary of relevant testimony is included at the end of the packet.
