2 SILVER SPRING GATEWAY PROPOSED PROJECT PLAN LANDSCAPE DESIGN
 L-6.0 Scale: NTS

This sheet is intended to illustrate proposed changes to the approved Signature Set landscape design for the Silver Spring Gateway Project as proposed by the Silver Spring Gateway Project Plan, Drawing 1/L.L. - 4.0. It illustrates the approved Signature Set landscape design for the Silver Spring Gateway Project to be constructed if Blair Mill Road is left in place.

Approved with Staff Review of Silver Spring Gateway Project Plan, In drawing two, Blair Mill Road is abandoned and the land is incorporated into both the Silver Spring Square and Silver Spring Gateway projects. The Silver Spring Gateway Project Plan proposes a large urban public plaza space and a smaller pocket park, both of which straddle the property line dividing the two projects.
