### Kensington Playground Meet Slated Saturday

The annual Field Day of Kensington Playground will be held a week from this coming Saturday and will be featured by the dedication of the new log cabin now being constructed on the grounds.

The meet was originally scheduled for Saturday, August 25, but because of unexpected delay in the cabin's construction was advanced to September 15. The program will consist of races, field events, exhibition tennis matches and awarding of cups to tennis tournament winners.

Silver Spring, MD 20910

OFFICE OF THE CHAIRMAN  
THE MARYLAND NATIONAL CAPITAL  
PARK AND PLANNING COMMISSION

Dear Mr. Berlage: *Derick*

This letter is to inform you that the Town of Kensington is ready to proceed with the renovations to the Kensington Cabin. The last letter I sent you was in October 2002 asking for your support of this project. I am so pleased to have your support and look forward to this project getting underway.

To be able to save the last remaining cabin owned by MNCP&PC gives us a feeling of preserving an important piece of Montgomery County history. To be a part of this preservation effort has been rewarding to me and I look forward to the completion and reuse of this historic site.

Sincerely,

Kitty L. Raufaste  
Mayor
