KING STREET ART CENTER

Site Plan & Landscape Plan

KING STREET ART CENTER

Proposed Site P

November 18, 2004

- A - Use this site to activate the park.
- B - Investigate relocating access so that Jesup Blair Drive is not used.
- C - Enlarge radius of the drive as it turns the corner. Screen views of the loading dock from the park by planting inside the curve.
- D - Remove turnaround from park property.
- E - Revise design of emergency stairway area to create an attractive pathway.
- F- Provide a sidewalk to the park
