

S-2628

Map compiled on June 03, 2005 at 11:17 AM | Site located on base sheet no - 223NE01

NOTICE

The planimetric, property, and topographic information shown on this map is based on copyrighted Map Products from the Montgomery County Department of Park and Planning of the Maryland-National Capital Park and Planning Commission, and may not be copied or reproduced without written permission from M-NCPPC.

Property lines are compiled by adjusting the property lines to topography created from aerial photography and should not be interpreted as actual field surveys. Planimetric features were compiled from 1:14400 scale aerial photography using stereo photogrammetric methods.

This map is created from a variety of data sources, and may not reflect the most current conditions in any one location and may not be completely accurate or up to date. All map features are approximately within five feet of their true location. This map may not be the same as a map of the same area plotted at an earlier time as the data is continuously updated. Use of this map, other than for general planning purposes is not recommended. - Copyright 1998

NOTES CONCERNING ZONING IN RIGHTS-OF-WAY
 Unless indicated otherwise, rights-of-way are intended to depict zoning line boundaries. Generally, rights-of-way are zoned in accordance with adjacent zoning. Where zoning differs on each side of a right-of-way, all of the right-of-way is in the more restrictive zone. Where there is no designated right-of-way, but a prescriptive easement exists, zoning boundaries are indicated.

NOTE: This map was compiled by digitizing Tax Maps prepared by the State of Maryland Department of Assessments and Taxation. Property lines are compiled from deed descriptions and subdivision plats, and should not be interpreted as actual field surveys. The record plat or survey should be reviewed if more property specific information is required. Use of "A" maps, other than for general planning purposes, is not recommended. Please report any errors or omissions to the Mapping/Geographic Section of the Montgomery County Planning Department. (301) 453-2178 or (301) 453-1527.
