### Summary

- Section 59-C-15.43(b)(2) of the Zoning Ordinance states that the Planning Board shall hold a public hearing no later than 90 days after the filing of a sketch plan. The Zoning Ordinance states that, "a request for an extension must be granted if the Planning Board finds it not to constitute prejudice or undue hardship on any interested party."
- The Applicant needs additional time to respond to comments received at Development Review Committee and submit revised documents.
- On December 12, 2013, the Planning Board approved an extension request of the sketch plan review period from March 18, 2014 to April 1, 2014.
- Staff believes that an extension of the review period will not constitute prejudice or undue hardship on any interested party. Staff recommends approval of the proposed extension request.
