**Summary**

Section 7.3.4.C of the Zoning Ordinance provides that the Planning Board shall hold a public hearing no later than 120 days after the filing of a Site Plan. The Planning Board may, however, extend this period. The Applicant has requested an extension for additional time to address issues raised at the Development Review Committee, to coordinate with review agencies, and to resubmit updated plans to all agencies. The Application was granted a 30-day extension by the Planning Director, on April 22, 2016, extending the review period from July 14, 2016 to July 22, 2016. The Application was granted two extensions by the Planning Board, one on July 14, 2016, extending the review period from July 21, 2016 to September 21, 2016 and the second extension on September 15, 2016 extending the review period from September 21, 2016 until October 7, 2016. Planning Staff has requested that the review period for the Site Plan be extended until November 4, 2016, by the Planning Board, to allow the Applicant sufficient time to meet Zoning Ordinance’s notice requirements for a parking waiver.

Staff recommends **APPROVAL** of the extension request.
