Applicant: Topgolf USA Germantown LLC
Acceptance Date: November 23, 2016
Review Basis: Chapter 22A, Chapter 59

Summary
Section 59-7.3.4.C. of the Zoning Ordinance establishes the review procedures for a Site Plan application and states that:

   “the Planning Board must schedule a public hearing to begin within 120 days after the date an application is accepted. The Planning Director may postpone the public hearing by up to 30 days once without Planning Board approval. The Planning Director or applicant may request an extension beyond the original 30 days with Planning Board approval. Any extension of the public hearing must be noticed by mail and on the hearing agenda with the new public hearing date indicated”.

The Topgolf Site Plan application was accepted on November 23, 2016, which established a Planning Board date no later than March 23, 2017. The Planning Board granted the first extension until May 18, 2017. The Applicant is now requesting a second extension for an additional 70 days of review time, which would bring the Site Plan before the Planning Board no later than July 28, 2017. The second extension is necessary to continue coordinating with County agencies on access issues.

Staff recommends approval of this extension request.

No. 820170010 (collectively, the "Applications")

Dear Chairman Anderson:

Our firm represents TopGolf, the Applicant for the above referenced Applications. On behalf of the Applicant, and pursuant to Montgomery County Zoning Ordinance Section 7.3.4.C, we respectfully request a second extension of the time in which the Planning Board is required to hold a public hearing on the above referenced Applications, which were formally accepted on November 23, 2016. The Applicant is requesting this extension to allow for sufficient time to continue working with County agencies to address comments received. Specifically, the Applicant requests an extension until July 28, 2017.

Although the Applicant is requesting an extension until July 28, 2017, it is the Applicant’s and Staff’s intention that the Applications will be scheduled on the earliest possible Planning Board hearing date, after the outstanding design issues have been resolved.

Thank you for your consideration of this matter.

Very truly yours,

Christopher M. Ruhlen
