Description
Rothbard Property 120170140:
Request to extend the regulatory review period by up to four months, to July 27, 2017; to convert an existing outlot into a buildable lot for one, one-family detached dwelling, located on the east side of Stonebarn Lane, approximately 1000 feet east of the intersection with Squires court; 9.77 acres, RE-2 zone; Potomac Subregion Master Plan.

Applicant: Michael Rothbard
Submittal Date: December 5, 2016
Review Basis: Chapter 22A, Chapter 50

Summary
Section 50.4.2.E of the Subdivision Regulations establishes the hearing date for a Preliminary Plan application and states that:

“the Board must schedule a public hearing to begin within 120 days after the date the Director accepts an application. The Director may postpone the public hearing by up to 30 days once without Planning Board approval. The Director or applicant may request one or more extension beyond the original 30 days with Planning Board approval. The Board must notice the public hearing and indicate the new hearing date on the Board’s agenda”.

The Rothbard Property Preliminary Plan application was accepted on December 5, 2016, which established a Planning Board date no later than March 30, 2017. Although the acceptance date is before the effective date of the current Subdivision Regulations, the Preliminary Plan will be heard by the Board after the effective date of the new regulations, and the Applicant has requested to be reviewed under the new regulations. Based on a December 5, 2016 acceptance, the Board hearing should have been on March 30th. The Applicant is still working with various DRC agencies to respond to DRC comments, and needs additional time to make their final plan submissions to Staff. Staff and the Applicant have agreed to a request for an extension of four months, so the Preliminary Plan will be before the Board no later than July 27th, 2017.

Staff recommends approval of this extension request.
